[From the Toledo Blade.] CURPRISING EFFECTS OF EXTRACT OF CELERY AND CHAMOMILE

UPON THE

NERVOUS SYSTEM AND DIGESTIVE ORGANS AS INVARIABLY PRODUCED BY DR. C. W. BENSON'S

CELERY AND CHAMOMILE PILLS.

They have been tested time and time again, and always with satisfactory results. This preparation just meets the necessities of the case. Let me state just meets the necessities of the case. Let me state just what my Pills are made to cure, and what they have cured and well cure: Neuralgia, Nervousness, Sick Headache, Nervous Headache, Dyspeptie, Headache, Sleeplessness, Paralysis, and Dyspepsia. These diseases are all nervous diseases. Nervousness embraces nervous weakness, irritation, de-spendency, melancholy, and a restless, dissatisfied, interable state of mind and body indescribable.

These are some of the symptoms of nervousness Now, to be fully restored to health and happiness is a priceless boon, and yet for 50 cents you can satisfy yourself that there is a cure for you; and for \$5, at the very furthest, that cure can be fully secured. These Pills are all that they are represented to be, and are guaranteed to give satisfac-tion if used as directed, and will cure any case. Sold by all druggists. Price, 50c, a box. lations the Commissioner is authorized to make must be in subordination to the statute conferring his powers, and must be such only as will carry out the design and intentions of the act; and therefore they must be consistent and harmonious in their provisions with the spirit and policy of the act they are designed to enforce and fulfil. But the charge in Rule No. 2 is not only inconsistent with and repugnant to the act, but is utterly subversive of that important provision of it which expressly declares that the analysis it is the duty of the Commissioner to make shall be free of expense. Where the fertilizer is of practical utility the analysis is the only thing required of the Commissioner, and as he is not permitted make any charge for that, there is absoings.

It is to be hoped the art and floral departments, which have been scantily filled in the last few years, will be out in grand colors this time. We have the material at hand, and surely no one will withhold a helping hand to the approaching exhibition.

Swer to that is that there is no room for implication; the language of the Legislature is plain that the duty for which this charge is made shall be without expense. Besides, it is a well-settled rule of law that every charge upon the citizen must be imposed by clear and unambiguous language.
